

Papers published in refereed journals or presented at scientific conferences

1. Gimon, D., A Mathematical Model and Algorithm for a Regional Gas Supply System Development Program Formation, Automation, Telemechanics and Communication in the Oil Industry 11, 2007.
2. Gimon, D., Stepin, Yu., An Agent-based Approach for Group Decision Making in the Problem of Alternative Choice in Small Oil and Gas Fields Clusters Development, Automation, Telemechanics and Communication in the Oil Industry 4, 2006.
3. Gimon, D., Stepin, Yu., Optimization and Concordance of Solutions in Oil and Gas Fields Development, Automation, Telemechanics and Communication in the Oil Industry 8, 2004.
4. Gimon, D., Stepin, Yu., Optimization of Group Alternative Choice Decision Making in a Cluster of Small Oil and Gas Fields Development, Urgent Problems in the Current State and Development of the Russian Oil and Gas Industry. The 5th Scientific Conference, Moscow, 2003.
5. D. Gimon, Yu. Stepin, An Agent-based Approach for Problems of Group Alternative Choice, Urgent Problems in the Current State and Development of the Russian Oil and Gas Industry, 5th Scientific Conference, Moscow, 2003.
